

The Kelowna Fish and Game Club built its 4600 square-foot clubhouse in the spring of 2001. It is situated 40 private acres in southeast Kelowna. The club has stunning views of the lake and the city and is one of the Valley's best-kept secrets. It is available now for weddings, -corporate-meetings, family reunions and other social events. This hall is tastefully decorated (no animal or fish mounts), with wood paneling and white walls.
